## Mission

Mary's Inn is a maternity home dedicated to the physical, emotional, and spiritual well-being of single pregnant mothers and their developing babies. It is a safe haven where they can stay while learning the skills they need to make a better life for themselves and their babies.

## Director's Message

Dear friends,

Mary's Inn is more than a home, it's a new beginning. Through our programs, every woman receives the life skills training she needs to be the best mom she can be, to live independently, and never be homeless again.

But we need your help. **To offer those programs, we need to hire a full-time, Monday-Friday, second shift (3:30-11 pm) Resident House Manager.**

This job is perfect for an empty nester who enjoys creating a warm home and mentoring women to become great mothers. Or maybe you know someone who is looking for a career change from office work to more of a hands-on experience.

The ideal candidate...

- Is committed to our mission (stated on the left).
- Is confident, patient, dependable and capable of handling difficult situations with compassion and professionalism. Is seen by others as the "go-to" person.
- Is people-oriented, enjoys interacting with people and can work with little direction

Requirements:

- High school diploma or GED, Associates degree preferred.
- A driver's license, vehicle insurance and a clean driving record.
- The ability to pass a criminal/child protection background check.

You become the resident's resource, helping them resolve issues and preparing them for a vibrant, independent life by teaching life skills, parenting skills, and demonstrating good decision making.

You would oversee the operations of the home, from ensuring safety and cleanliness to teaching and mentoring the residents about the "why's" behind the house rules and policies instead of only being an enforcer.

If this opportunity sounds like something that you or someone you know would enjoy, please contact me. All contact info is at the bottom of page 2.

**You can be a part of transforming a woman's life.**

# Alumni Program

**Mary's Inn  
welcomes our  
New Staff!**

**Kathy Wandsnider,**  
Alumni Support  
Professional.

Many of the residents who "graduated" from Mary's Inn still like to be in contact with us. They appreciate the unconditional love and support they got while living here, and, to be honest, they can often use it after they leave. And we love keeping in touch with them. To do this more intentionally, we have hired Kathy Wandsnider to be our Alumni Support Professional. Kathy contacts our alumni on a regular basis, whether by phone or in person, to see how they're doing and if their basic needs are being met. If we have extra diapers, wipes, toiletries, or food at the maternity home we are happy to share with them. If they are in need of other types of support, Kathy connects them to resources in the community. We hope that this new outreach proves to bridge the gap that many women experience as they strike out on their own.

*Daja's  
Baptism*

Daja is baptized Sunday, January 18 at Word of Life Church, Pastor Mike Lopez officiating. It was a beautiful service! Thank you, Jesus.

After being submerged from the life giving waters of baptism.

New life in Jesus!
