

Heart to Heart

July 2026

Mission

Mary's Inn is a maternity home dedicated to the physical, emotional, and spiritual well-being of single pregnant mothers and their developing babies. It is a safe haven where they can stay while learning the skills they need to make a better life for themselves and their babies.

Director's Message

Dear friends,

As we celebrate our nation's 250th anniversary of independence this month, we're reminded that freedom is more than a cherished American ideal – it is a gift that can transform lives.

Jesus said, "And you will know the truth, and the truth will set you free" (John 8:32).

At Mary's Inn, the moms who come through our doors receive compassionate care, practical support, and the hope they need to move forward with confidence. Your partnership helps make it possible for our residents to encounter truth, choose life, and experience the freedom that comes from being cared for and valued.

One of our residents recently finished her CNA schooling and is now employed full time in a career with the potential for making a living wage. We are so proud of how hard she studied and how she never gave up even when things were difficult.

Stories like this are possible because faithful supporters like you choose to invest in this ministry, whether it's been through prayer, volunteering, or financially. Your gift is making a tangible difference in the lives of those we serve every day.

On behalf of everyone at Mary's Inn, and especially the residents whose lives are being impacted, thank you for standing with us. We are grateful for your partnership and the lasting hope it brings to our community.

With gratitude,

Colleen Pasnik
